See below – can you provide me attendance sheets that list just the names and not the PRPs?

Subject: Attendance Sheet - June 29 EPA presentation

Hello, Bruce. We will be placing notes of our presentation to the PCI group into the final administrative record. Could we get a copy of the attendance sheets for the meeting? We understand from prior concerns raised by some members of the group that some companies may want their names redacted, but do not expect that companies that have been identified as potentially responsible parties by EPA could have such concerns. Let me know if we need to discuss. Thanks.
